Instructions – Setting up Two Factor Authentication on the AdvanceTrack Portal

Sign in with Password

Click 'Sign in with Password'

Enter your email and password in the box as usual
Click Continue

jason.kenny2@advancetrack.com Edit

Password
••••••••••••

Forgot password?

Continue

Scan the QR code with your phone using any authentication App, e.g. Google Authenticator, Microsoft Authenticator
Enter the rotating six digit code from your phone
Click Continue
You will now be logged in and can use this App going forward

Secure Your Account

Scan the QR Code below using your preferred authenticator app and then enter the provided one-time code below.

Trouble Scanning?

THEN

Enter your one-time code

Continue

If you need to enter the code manually, for example to use Desktop Apps like WinAuth and Authy, you can retrieve it by clicking 'Trouble scanning?'
